Wildcat Family,

First of all, I want to express my sincere thanks to you for supporting those families affected by the most recent horrific storms in Southwest Georgia through our supply drive at McAllister ES. Your generosity and kind hearts never cease to amaze me and it shows in the acts of kindness displayed through both you and your students alike. Thank you!

With the school year more than half way complete, the school board is beginning to prepare for the 17-18 & 18-19 calendar adoption. These calendars are displayed on the Bryan County School Website by following the link below: <http://www.bryan.k12.ga.us/o/bcs/page/calendar-survey-2017-2019>. The BOE is seeking stakeholder feedback prior to making a final decision, make your voices known by completing the survey that accompanies the calendars.

Lastly, we are planning quite a few upcoming events that we would love you to attend. Next Tuesday, February 7 (6-7:30PM) we will host our 1<sup>st</sup> Annual STEAM Night. This event is family friendly, interactive and an opportunity to participate in learning activities centered around Science, Technology, Engineering, Arts & Math. On Friday, February 10, there is another opportunity for you to come into the school and chat with the principal about whatever is on your mind while enjoying a cup of coffee or two.
